REAL ESTATE MANAGEMENT IN GREATER BOSTON

The roots of Minot, DeBlois and Maddison lie in the management of property in Boston, where today substantial management continues. In recent years, recognizing the added importance of decentralization, the firm has spread its activities into suburban areas and can point with pride to such properties as the active Chestnut Hill Shopping Center.

• Indicates M.D.M. managed property

REAL ESTATE MANAGEMENT OUTSIDE BOSTON

With the opening in the 1880's, of the frontier cities of the Mid-West, funds under the management of Minot, DeBlois and Maddison or its predecessors were invested in cities such as Chicago, St. Paul, Kansas City, Omaha and Denver. Today, not only are investments managed in many of these cities but substantial new investments have been made in the newer and more rapidly growing areas to the west and to the south, such as California and Florida.
